Numbers. Here are some excellent thoughts from Wes McAdams about an event in **Numbers 21** which looks ahead to Christ...

During their wandering, the people were cursed because of their disbelief and rebellion. But in His mercy, God instructed Moses to lift up a bronze serpent so that anyone who looked upon it would be healed. Jesus said, "Just as Moses lifted up the snake in the desert, in the same way the son of man must be lifted up, so that everyone who believes in him may share in the life of God's new age" (John 3:14-15). Look upon Jesus in obedient faith and you will receive life for the age to come. That is the promise of the Gospel. The same God who lifted the curse in the wilderness and brought His people into the Promised Land is lifting our curse and will bring to us our inheritance. God wiped away the old world and gave Noah a new world through the flood. God wiped away the old land of Canaan and gave Israel a new land through the conquest. He will also wipe away the old world of sin and death and give us "a new heavens and a new earth in which righteousness dwells" (see 2 Peter 3:13). Our inheritance is being stored up for us and the God who does not change will deliver on all of His promises.
