## Welcome to Worship!

February 21, 2021

Today's Sermon: Salt & Light | Matthew 5:13-16

### Joe's Jots

The Sermon on the Mount. Our sermon series on the most famous sermon ever preached continues today. We're calling it, "**Best Sermon Ever.**" We started last week with the Beatitudes and discovered that Jesus brings immense blessing to our lives when we acknowledge our own spiritual bankruptcy. Today, we will discover what Jesus meant when He told those gathered around Him, "You are the salt of the earth," and, "You are the light of the world." I'm thankful you're here today!

**Wednesday Night Series.** This Wednesday at 7 PM, we'll continue our adult series in the auditorium called, "**Encountering Ecclesiastes: Finding Meaning in a Meaningless World.**" The series will be based on the 2021 Freed-Hardeman University Bible Lectureship material. We're digging into this Old Testament book of wisdom to discover our true purpose. Youth group and kids classes are meeting as well. Join us!

**Sunday School News.** We're thankful to be back together in Sunday school! Starting in March, we will offer two adult classes. The three oldest adult Sunday school groups—the classes that met upstairs before COVID—will continue meeting in the auditorium. The three youngest classes—the ones that met downstairs before COVID—will begin meeting in the gym. So those around 55 and up will meet in the auditorium, while those around 55 and down will meet in the gym. I'm thankful for the good crowd that has been staying for Sunday school!

**The Power of Prayer.** Spend some time this week praying for the requests on our weekly prayer handout, including the prayer prompt. Be sure to contact us if you need to provide an update to the handout. Pray with us tonight on Facebook at 6 PM. Let's keep on praying in 2021!
